HOC SIGNO FORTUNA.

BALTIMORE, FRIDAY, June 13, 1823.

Rise of Tickets.

TIMELY NOTICE is hereby given, that the price of tickets in the **GRAND STATE LOTTERY**, will be advanced to **FIFTEEN DOLLARS**, on the 10th of July. Adventurers at a distance have therefore the opportunity to send on their orders and to obtain their tickets at the present low rate of **12 Dollars** for whole tickets, and shares in proportion. The demand daily encreases, and when the immense magnitude of the great capital prize of **ONE HUNDRED THOUSAND DOLLARS** is considered, we are not at all surprised at the numerous orders which we receive from every section of the Union.

The **COMMISSIONERS** last evening determined on the **RISE OF TICKETS**, and we lose no time in communicating information thereof as above to our distant friends—All orders forwarded *previous to the 10th of July*, will be supplied at the present rates, viz.

Whole Tickets, \$12 | Quarters, \$3 00
Halves, 6 | Eighths, . . 1 50

Direct as usual to **J. I. COHEN Jr.**—Baltimore.

The second drawing of the GRAND STATE LOTTERY took place yesterday afternoon, the list will be found on the opposite page—One prize of 1000 dolls. came out to No. 6910. This ticket is one amongst those which remain unsold in the hands of the commissioners and which yesterday, before it was drawn, could have been obtained for the small sum of 12 Dollars. There was only one other prize drawn of consequence; it was No. 2224, which came up *One Hundred Dollars*, and which we had the pleasure of sending by mail (so late as last week) in a whole ticket, to a gentleman in *Milledgeville, Georgia*. The Cash, is ready for the fortunate holder, as usual for all prizes sold at **COHEN'S OFFICE**.

The 5,000 Dollar Prize.

PROMPT PAYMENT.—We mentioned in our last, that No. 8779 which drew the handsome prize of *Five Thousand Dollars* in the *Monument Lottery* on the 4th inst. was owned in a whole ticket by an adventurer in *Virginia*. We can now further state, that the lucky holder is a gentleman residing at *Norfolk*, and who received the *Cash* at *Cohen's Office* in that Borough, in less than ten minutes after the arrival of the Steam Boat, which communicated to him the first intelligence.

The extraordinary great success which continues to attend the investments of *distant adventurers* at *Cohen's Office*, should induce those who intend purchasing in the present lotteries, and have not yet sent on their orders, to do so immediately, as the wheels are now highly interesting, there being such an unusual large number of great **FLOATING CAPITALS**.

On the fourth page of this day's Register, will be found the state of the wheel of the *Monument Lottery*—price of tickets is still continued at the low rate of *Ten Dollars*, and shares in proportion.

Letters from any part of the United States, either by mail (post paid) or by private conveyance, with Orders for Tickets or Shares in either of the present lotteries, enclosing the Cash or prizes, will meet the same prompt and punctual attention, as if on personal application, addressed to

J. I. COHEN Jr.—Baltimore.

BALTIMORE RACES.—The races over the course at Fairview commenced on Monday last. Only two horses entered for the purse—Col. Johnson's *Betsey Richards* and Mr. Sleeper's *Lady Light Foot*—four mile heats.—Betsey Richards took the lead and kept some distance ahead during the whole of the rounds, except a very short part of the third, when Lady Lightfoot appeared for a moment to gain a little upon her. The first heat was won with apparently great ease by Betsey Richards—and so confident were the Virginians in the superiority of their horse that he was ridden *without a whip*. The first heat was run in seven minutes and thirty one seconds, the course being not a mile round. The betting was chiefly on the first heat—two to one in favour of Betsey Richards.

After the customary interval the call to horse was again made—when it appeared that Lady Lightfoot was *withdrawn*, and would not contest the second heat. To comply with the rules of the course, Betsey Richards was galloped round and took the purse. The trial of speed in the first heat was sufficient to prove her great powers, and her decided superiority over her antagonist.

SECOND DAY, Tuesday.—The purse was run for by *Gen. Wynne's* horse *Childers* and *Gen. Ringgold's* horse *Partnership*. The Virginians again swept the field—for at the end of the first heat of three rounds their horse *Childers* distanced his opponent and of course took the purse. *Childers* was ridden *without whip or spur*, and we are informed was not at any time put to his speed.

At the termination of the heat, which was performed in 5 minutes 42 seconds, he was purchased for \$2500 by a gentleman of Maryland.

THIRD AND LAST DAY, WEDNESDAY.—We are informed the racing was better than on either of the preceding days. The horses which started, to run two-mile heats, were, the *Dutchess of Marlboro'*, Mr. Sleeper's colt *Sir Harry*, and Mr. Elliott's horse *Flaxen-mane*. The heats were very handsomely contested—at the close of the first, the *Dutchess of Marlboro'* came out about half a length ahead of *Sir Harry*; *Flaxen-mane* some lengths behind. At the end of the second heat the *Dutchess* was again ahead—*Sir Harry* two to three lengths behind, and *Flaxen-mane* in the rear of all.—*American*.

British Horse Races.—At New-Market (England,) there are two courses, the long and the round; the first is exactly 4 miles and 330 yards, i. e. 7442 yards; the second is 6640 yards. *Childers*, the swiftest horse ever known, has run the first course in seven minutes and a half, and the second course in six minutes, forty seconds, but all other horses took up at least seven minutes and 50 seconds in completing the longest course, and seven minutes only in the shortest, which is at the rate of more than 47 feet in a second; and it is commonly supposed that these coursers cover at every bound a space of ground in length of about 24 English feet.

Post Master General.—The *Nat. Intelligencer* of the 11th inst. mentions that *Return J. Meigs*, Esq. has resigned the office of Postmaster general of the United States. His successor is not yet designated.

FIRE.—We learn from *Fredericksburg, Virg.* that a distressing fire broke out in that town in a stable belonging to the *Farmer's Hotel*, which was so rapidly consumed that 20 horses perished in the flames. The fire communicated to the adjacent buildings, and the wind being high, 14 houses were burnt. There was also much property destroyed, furniture, goods, &c.

Counterfeit notes of the denomination of *Five Dollars*, on the Bank of *STEPHEN GIRARD*, Esq. are in circulation. They are easily detected. The engraving is rough, the paper is without a water mark, and the signatures of *Stephen Girard* and *G. Simpson* are badly imitated.

COLOMBIAN EMBASSY.—His Exoellency *Senor Jose Maria Salazar*, Minister Plenipotentiary from the Republic of Colombia to the United States, and the *Senor Palacio*, Consul General from the same Republic to the United States, arrived in this City on Saturday, on which day they were entertained at a dinner by His Excellency the Hon. Mr. Anderson, Minister Plenipotentiary from the United States to Colombia.—The meeting of the respective Ministers is represented as having afforded considerable satisfaction to these distinguished persons, and they hailed it as a happy omen of the cordiality and good feeling which they hoped would long exist between the two Republics.—Yesterday morning at 9 o'clock the *senors Salazar and Palacio*, proceeded to Washington, and Mr. Anderson, with his family, departed, by steam boat for Norfolk, there to embark on board the *John Adams* frigate for *La Guayra*.—*Gaz.*

The Norfolk papers by yesterday's steam-boat contain letters from the American squadron cruising off Havana, dated May 17th and 23d. They confirm the account received by the *Thessalian* at this port, of the total suppression of piracy, owing to the active and energetic exertions of *Commodore Porter* and his squadron. The new Governor of Havana had adopted no measure or change of importance since his arrival. The city was said to be remarkably healthy—few deaths having occurred by fever.

The U. S. frigate *Congress*, sailed from New-Castle, (Del.) on Sunday, with a fair wind, having on board Messrs. Nelson and Rodney, Ambassadors to Spain and Buenos Ayres.

From the Richmond Compiler of June 7.

The case of the U. States' Bank against the late Cashier of the Branch in this city and his securities, has come on before the Federal Court of this District now sitting in the Capitol. (Judge Marshall presiding). The Bank claims a large sum of money from the Cashier, on account of various alleged defalcations and irregularities. (The amount, we have heard estimated as high as from 50 to 55,000 dollars.)

The case is, of course, of some interest to the Bank—to the innocent securities, of greater importance. The jury was sworn—and certain points were taken by the counsel for the defendants, to invalidate the obligations of the bond, which the Cashier had been alleged to have given.

Yesterday the judge decided that the bond was not binding upon the securities—inasmuch as the President and Directors of the Mother Bank at Philadelphia had not accepted and ordered their acceptance of it to be filed in their office at Richmond, previous to the date of the alleged defalcations. The bond being thus in fact no bond at all, the judge determined that it could not go to the jury, and of course the nominal securities will not be bound to make good the acts of the Cashier. We understand that the counsel for the Bank were yesterday engaged in drawing up a bill of exceptions to the opinion of the court, in order to carry up the point to the supreme court of the U. States.

CHRISTOPHER HUGHES, Jr. Esq. Charge des affaires of the United States at the Court of Stockholm, has arrived at New-York in the ship *James Cropper*.

CASH ON DEMAND

will be paid for all Prizes which may be sold at

COHEN'S OFFICE,

in either of the two Brilliant Schemes of the

Grand State Lottery AND Monument Lottery.

The following are the rich capitals contained in the two schemes, both which are now drawing in the City of Baltimore :

1 Capital prize of	\$100,000
2 Capital prizes of	20,000
4 Capital prizes of	10,000
3 Capital prizes of	5,000
3 Capital prizes of	2,000
25 Capital prizes of	1,000

&c. &c. the whole amounting to upwards of

360,000 Dollars.

Halves, Quarters and Eighths.

The demand for Share-Tickets in the GRAND STATE LOTTERY continues unprecedented.—They are issued at COHEN'S OFFICE, by authority of the ACT OF ASSEMBLY. The advantage to the adventurer in purchasing Shares, is in the increased number of chances obtained for the same amount of money which would otherwise be invested in a whole Ticket—and when we consider the great amount of the Capital Prize of ONE HUNDRED THOUSAND DOLLARS in the Grand State Lottery, we are not surprised at the demand for the Shares, as an HALF TICKET, which costs only six dollars, may produce FIFTY THOUSAND—A QUARTER Ticket, which costs only three dollars, may produce TWENTY-FIVE THOUSAND—and an EIGHTH Ticket, which costs but the trifling sum of one dollar and fifty cents, may produce to the adventurer no less than TWELVE THOUSAND FIVE HUNDRED DOLLARS!

Orders from any part of the United States, by mail (post paid) or by private conveyance, enclosing the cash, or prizes in any of the Baltimore Lotteries, will meet the same prompt and punctual attention, as if on personal application, addressed to

J. I. COHEN, JR.—Baltimore.
